

US A11Y LAWS

LET'S BREAK IT DOWN!

Listed below are different types of organizations as they fit into all of different accessibility laws.

You will notice that some of these organizations cross over into different categories. That's because more than one law can apply to one type of organization.

Rehab Act

Federal Government

Broadcast TV

State Laws

State Government
Municipalities
Public Colleges
Private Colleges*
K-12
*Receiving state funding

FCC

Faith Organizations
Broadcast TV

THE VENN DIAGRAM *of*

ACCESSIBILITY LAWS

This graphic shows the exact same lists in a Venn diagram. The Venn diagram is split into FCC, CVAA, ADA, Rehabilitation Act, and State Laws, with overlapping sections. This graphic helps to break down accessibility laws by each overlapping section to understand how each of these laws might apply to a specific type of organization.
